We have performed the procedures described below which were agreed to by the South Carolina Office of the State Auditor solely to assist these users in evaluating the performance of the County of Hampton Magistrate Court System and to assist the South Carolina Office of the State Auditor in complying with the 2006 - 2007 General Appropriations Act (H. 4810) Section 72.80. Judge Grace Bennett, Chief Magistrate for the County of Hampton, is responsible for compliance with the requirements for the Magistrate Court reporting and the South Carolina Office of the State Auditor is responsible for compliance with the requirements of the 2006 - 2007 General Appropriations Act (H. 4810) Section 72.80. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

1. TIMELY REPORTING BY THE MAGISTRATES

- We researched South Carolina Code of Laws Section 14-17-750 to determine the definition of timely reporting with respect to the Magistrate's responsibility for reporting fines, fees and assessments to the County Treasurer.
- We inquired of the South Carolina Judicial Department to determine their requirements for both the manner in which partial pay fines and fees are to be allocated and the timing of the report and remittance submissions by the Clerk and the Treasurer.
- We inquired of the Magistrate and County Treasurer to gain an understanding of their policy for ensuring timely reporting and to determine how the treasurer specifically documents timeliness.
- We inspected documentation, including the Magistrate Remittance Forms or equivalents for the months of April 1, 2006 through March 31, 2007 to determine if the Magistrate submitted the reports to the County Treasurer in accordance with the law.

Our finding is reported under "TIMELY REPORTING BY THE MAGISTRATES" in the Accountants' Comments section of this report.

2. TIMELY ACCURATE RECORDING AND REPORTING BY THE COUNTY

- We traced each month's reporting by the Magistrate to the County Treasurer's Office and to the County's general ledger accounts for the assessments (Sections 14-1-207(A), (B) and (D)) and victim's assistance surcharge (Section 14-1-211) for the period April 1, 2006 to March 31, 2007.
- We compared the amounts reported on the Magistrate Remittance Forms or equivalents to the Magistrate's software system-generated report summaries for three judgmentally determined test months. We tested the system-generated reports for compliance with various laws including Section 35.11 of the General Appropriations Act for the fiscal year 2006 – 2007 and with South Carolina Judicial Department training instructions and interpretations.
- We judgmentally selected and compared individual fine and assessment amounts recorded in the Magistrate's software system-generated detail reports to the Judicial Department guidelines' range for the offense code to see if the fine and assessment were within the minimum and maximum range.

Our finding is reported under "TIMELY ACCURATE RECORDING AND REPORTING BY THE COUNTY" in the Accountants' Comments section of this report.

3. PROPER VICTIM'S ASSISTANCE FUNDS ACCOUNTING

- We inquired as to the format determined by County council and local policy for record keeping as it relates to fines and assessments in accordance with Section 14-1-207(E)(4).
- We compared the fiscal year-ended June 30, 2006 audited Victims' Rights Fund fund balance with all adjustments to the fund balance shown in the Schedule of Fines, Assessments and Surcharges on page 59 of the audited financial statement and to the beginning fund balance as adjusted in that fund for fiscal year 2007.
- We judgmentally selected a sample of Victim's Rights Fund reimbursable expenditures and verified that these expenditures were in compliance with Section 14-1-207(E) and Section 14-1-211(B).

We found no exceptions as a result of the procedures.

4. TIMELY ACCURATE REPORTING TO THE STATE TREASURER

- We vouched the amounts reported in the South Carolina State Treasurer's Revenue Remittance Forms to Magistrate Remittance Forms or equivalents for the period April 1, 2006 through March 31, 2007.
- We scanned the South Carolina State Treasurer's Revenue Remittance Forms for timely filing in accordance with Section 14-1-207(B).
- We traced amounts recorded in the County's financial statement Schedule of Fines, Assessments and Surcharges on page 59 of the year ended June 30, 2006 report related to fines and assessments revenues reporting in accordance with Section 14-1-207(E) to supporting schedules used in the audit to comply with Section 14-1-207(E).
- We traced and agreed amounts in the supporting schedules to the Magistrate Remittance Forms or South Carolina State Treasurer's Revenue Remittance Forms.

Our finding is reported under "TIMELY ACCURATE REPORTING TO THE STATE TREASURER" in the Accountants' Comments section of this report.

We were not engaged to, and did not conduct an audit the objective of which would be the expression of an opinion on compliance with the collection and distribution of court generated revenue at any level of court for the twelve months ended March 31, 2007 and, furthermore, we were not engaged to express an opinion on the effectiveness of the internal controls over compliance with the laws, rules and regulations described in paragraph one and the procedures of this report. Had we performed additional procedures other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Governor, Chairmen of the House Ways and Means Committee, Senate Finance Committee, House Judiciary Committee, Senate Judiciary Committee, members of the Hampton County Council, County clerk of court, County treasurer, State Treasurer, Chief Justice and the Office of the State Auditor and is not intended to be and should not be used by anyone other than these specified parties.

Re: County of Hampton Magistrate Court
Hampton, South Carolina

Dear Sirs:

This is our response to the audit of the Hampton County Magistrate's Court you did for a period of April 2006 to March 2007.

1. Timely Reporting by the Magistrates

You stated that I, Judge Bennett submitted ten of the twelve Remittance Forms, Judge Williams submitted nine of the twelve, Judge Solomons submitted seven of the twelve reports late.

I could not say if April 2006, May 2006, June 2006 were late as I could not get the records pulled out of storage before replying to this audit, so after checking the July 2006 to March 2007 I have found that according to the rules we were late because we did not take into consideration the Holidays and Weekend, such as the last day falling on a Saturday and we should have gotten it to them on the day before to be within the guide lines of the law. Upon submitting to the appropriate offices for Judge Bennett and Judge Williams, we have them sign for them when we turn them into their office. We also call to let them know if there is a problem of getting the reports turned in on time. Unfortunately we never followed through with a written reason which is our mistake because now we have no defense other than we can truthfully state it being a computer error or waiting on bank statements as to the reports being late.

If you read South Carolina Code of laws section 22-1-90 Monthly reports of moneys collected; treasurer's record, you will find it states as follows:

S.C. Code of Laws 22-1-90 and 14-17-50 states:

Every magistrate shall, on the first Wednesday in each month or within ten days thereafter, make to the auditor and treasurer of his county a full and accurate statement in writing of all moneys collected by him on account of fines, penalties or forfeitures during the past month together with the title of each case in which a fine has been paid. The county treasurer shall keep a record of the title of each case in which the fine has been paid, the nature of the offense for which the fine was imposed and the amount thereof. In default the magistrate or treasurer, as the case may be, shall, on conviction, be liable to a fine not exceeding one hundred dollars or imprisonment in the county jail not exceeding two months or both, at the discretion of the court.

In our defense we will set up a policy that from this day forward the reports will be in to the treasurer and auditor within the guide lines of the law. I spoke with South Carolina Court Administration on yesterday, being Terry Leverette and he also confirmed that the law has not changed and that we do have to have them to the above mentioned departments on the first Wednesday of the following month or within ten days thereafter. We will abide by the law and make sure they are in the above mentioned departments by the due date unless there is an emergency that is beyond our control.

I did find that for myself and Judge Williams the months that we were outside the guide lines of the law were due to us not taking the Holidays and Saturdays into consideration and that will be corrected. See attached list as to the dates that the above mentioned departments signed for the reports from July 2006 to March 2007 as I said I do not have the information for April 2006 to June 2006.

I feel that we have addressed the problem and unless an emergency comes up we will comply by the law in getting these to the above departments in the time frame set for us.

Our comment as for as the minimum and maximum fine not being in compliance with the Judicial Department is incorrect. Our programmer Smith Data Processing set these up according to the Judicial guidelines and as updates come I always update the fine amount on the computer, but if we have one set that is improper as soon as we know I will see that it is corrected. I don't feel that I or either one of the other Judges can comment on something we have no knowledge of.

You can be assured as soon as I find out about the difference in our fines of minimum and maximum I will have it corrected as all three magistrates use the same computer system.

If I can be of further help in resolving these two issues please let me know.

Sincerely,

Grace B. Bennett, Chief Magistrate
